2. **Resolution No. 13-386 Approval of warrants for payment.**

3. **Resolution No. 13-387 Approving additional funding from Fund 198 Stadium Funds to the Lewis County Historical Museum for tourism related activities.**

Dawna Truman, stated pursuant to RCW 67.28.1815 lodging tax dollars may be used for all or any part of the cost of tourism promotion, acquisition of tourism-related facilities, or operation of tourism-related facilities. The Lewis County Historical Museum is requesting an additional amount of \$7,500.00 for 2013. The purpose of this Resolution is to approve an additional amount up to \$7,500.00 from the Stadium Fund to the Lewis County Historical Museum for tourism related activities. Agencies are eligible to apply to Lewis County for a portion of the "Stadium funds" if said project or activity promotes tourism in Lewis County.

Penny Mael, Outreach Director of the Lewis County Historical Museum, stated on behalf of the Lewis County we would like to thank the BOCC for taking into consideration the fact that we are short of funds. We have some fundraisers planned.

Andy Skinner, Interim Director of the Lewis County Historical Museum, stated we really do appreciate the BOCC help and with everything that is going on. We have had some difficulties in the past but we are really trying to move past that.

Penny Mael informed the BOCC of some upcoming events that the Museum is putting on.

Ron Averill, Centralia, stated when the Commissioners originally decided to reduce the amount going to the museum it was because the City of Centralia was providing no funding to the Museum. He stated he feels that the City of Centralia benefits from the Museum and should make some donation. If the City is still not making contribution to the Museum then he feels it is wrong.

Commissioner Fund stated for a couple of years the Museum did not submit a lodging tax proposal to the City of Centralia. Last year the City only had \$36,000 in lodging tax funding so the proposals needed to put heads in beds so the bond payment supporting the sports center fields could be paid. The Museum is aware now that is needed in their proposal.

Commissioner Grose stated the City of Centralia has made a small contribution which Commissioner Fund said was out of the city's general fund.

4. Resolution No. 13-388 Approving a contract between Lewis County and Valley View Health to provide funding to expand mental health services.

Danette York, Director of Health & Social Services, stated this contract is to fund a matching grant for Valley View Health Center to expand outpatient mental health services implementing the IMPACT Model (Improving Mood-Providing Access to Collaborative Treatment) model of depression treatment, to improve the health, stability, and welfare of low income residents. This Resolution will award \$173,000 per year for two years to Valley View Health Center. The funding comes from the 1/10th of 1 percent Chemical Dependency, Mental Health, and Therapeutic Courts tax. The contract starts on 6/17/2013 through 6/16/2015. There is a possibility of a third year of funding that will be based on an evaluation of the program.

5. Resolution No. 13-389 Approving an inter-local agreement with Cowlitz County regarding work performed by county crews.

Tim Elsea, Director of Public Works, stated this Resolution will allow Cowlitz County and Lewis County to enter into an Inter-local Agreement. This Agreement will govern reimbursable work performed by Public Works forces for which Cowlitz County does not have the capability or means to do themselves. The term of the Agreement will expire on December 31, 2013. It appears to be in the best public interest to authorize the execution of said Inter-local Agreement in order to streamline the administrative process and allow use of reimbursable works orders for routine work done by county crews for Cowlitz County.

6. Resolution No. 13-390 Approving an agreement with Boistfort Valley Water and executing a contract to fund a Watershed Control Plan with the State Department of Health.

Tim Elsea, Director of Public Works, stated the Boistfort Valley Water Corporation asked Lewis County to act as the certified agency so that we can pass through State funding to them so they can do a watershed study.
